West Wiltshire Downs**  
*Area of Outstanding Natural Beauty*

# Where can I get advice?

## AONB

Would you like to see a wood fuel system in action or learn more about the opportunities for you to install a system? Are you interested in becoming a firewood supplier to this new market or a service engineer for the new wood fuel systems?

If so then fill in the form on this leaflet or contact:-  
Dave Blake, AONB Project Officer, AONB Office,  
Castle Street, Cranborne. BH21 5PZ.  
Tel: 01725-517417  
Email: davidblake@cranbornechase.org.uk

## South West Wood Fuels Ltd:

If you would like to know more about the technical aspects of wood fuel systems, their installation and operation, then contact:-  
South West Wood Fuels Ltd, SCC Highway Depot,  
Station Road, Brushford, Dulverton, Somerset TA22 9AD.  
Tel: 01398 324558 Email: info@swwf.info

## The Sustainable Development Fund

This leaflet has been produced with the aid of a Sustainable Development Fund Grant. This fund is delivered locally by the Cranborne Chase & West Wiltshire Downs AONB on behalf of the Countryside Agency and Department for Environment, Food and Rural Affairs.

# Are you interested in converting to wood heat?

Working with you to keep this living landscape special

# Sustainability Cycle

## 1 Policy and Incentives

- Help meet Kyoto targets
- Capitalise on grants and loans
- Benefit from positive planning policies
- Develop an eco-marketing angle
- Tax breaks and CCL exemption

## 2 Sustainability

- Create and support local employment
- Enjoy improved security of supply
- Stimulate better woodland management

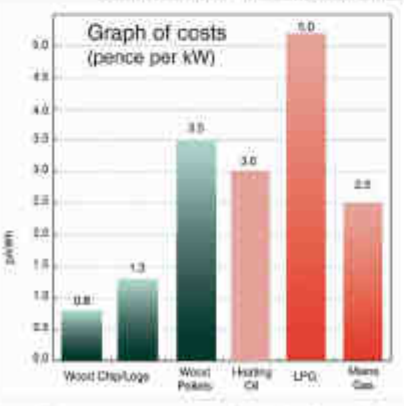

## 3 Established technology

- Commercial**
- Utilise equipment that is clean burning and efficient

- Domestic**
- Choose between log, chip or pellets
  - Integrate with existing fossil fuel or solar heating

## 5 Quality of life

- Enjoy better quality heat at an affordable price
- Disconnect from the oil and gas market
- Become CO<sub>2</sub> neutral
- Reduce your impact
- Protect your children's future

# What we want to know...

We would like to know if you are interested in saving money on your fuel bills; being involved in the working woodlands around your home and helping to reduce harmful carbon emissions. Would you consider adding a wood fuel system to your current oil or gas heating? A wood fuel system can either supplant or back up your oil or gas, running radiators or providing hot water. Wood fuel systems have come a long way from the wood stoves and kitchen ranges with which you might be more familiar. Modern systems are clean and incredibly efficient. They can be accurately controlled to give you heat when you want it and produce very little ash. Interested?

Great Ridge woodland

# Why we want to know ...

## Woodland Management

The woodlands of the Cranborne Chase & West Wiltshire Downs Area of Outstanding Natural Beauty are some of the best in the country; best for their biodiversity, cultural history and not least for the skills and dedication of the people that work in them. But woodlands need to be managed and that management costs money and these costs are met by selling woodland products such as fire wood. In recent years the forestry industry has seen its timber markets collapse. We would like to see a rejuvenation of the local firewood market that would ensure the continued management of our wonderful woodlands.

Ancient woodland

**Fuel Demand:**  
 I need more information on wood energy

**Boiler Installation:**  
 Please send more information on:  
 Logs  Pellets  Woodchips   
 I would like more information on costs and funding   
 I am an installer interested in becoming involved   
 I am Hetas registered

**Fuel Supply:**  
 I would be interested in supplying:  
 Logs  Woodchips

**Supply Chain:**  
 I have a chipper:  
 Please state capacity and make: \_\_\_\_\_

I have a forwarder/siteage trailer available for use  
 Please state capacity and make: \_\_\_\_\_

**Are you interested?**

**Contact Details:**  
 Name: \_\_\_\_\_  
 Company: \_\_\_\_\_  
 Address: \_\_\_\_\_  
 Phone: \_\_\_\_\_  
 Website: \_\_\_\_\_  
 Email: \_\_\_\_\_  
 Fax: \_\_\_\_\_
